

## CHILD PROTECTION POLICY

### POLICY STATEMENT

From time to time our interpreters work alongside young children. Therefore we feel it paramount to make a **statement of intent** that demonstrates a commitment to safeguard children throughout any work we do for children and with their participation. The essential inclusions for a child protection policy are outlined below:

- the welfare of the child is paramount;
- interpreters who work with children must possess a valid Criminal Records Bureau check (CRB);
- all work is to be treated with the strictest confidence.
- all children have the right to protection from abuse regardless of gender, ethnicity, disability, sexuality or beliefs;
- this policy applies to all clients, staff, interpreters and any consultants working for and with F&T Services Ltd.;
- F&T Services Ltd. is committed to safe recruitment, selection and thorough vetting.
